

Dudley Borough Public Healthcare Forum Meeting

Thursday 18th May 2017

6pm – 8pm

Brierley Hill Civic Hall, Bank St, Brierley Hill, DY5 3DH

Mental Health

We want to look at Mental Health services for adults currently being delivered in Dudley, to ensure services are effective as well as identifying gaps in delivery. To do this we would like to hear from anyone who has an interest in Mental Health services in Dudley.

If you would like to contribute to the discussions, whether you, your family or your friends have been involved with mental health services, or you have a general interest in mental health and want to help shape the future of mental health services for Dudley, then why not join us at our friendly and relaxed Healthcare Forum?

You'll meet your local GPs and other partners involved in planning and delivering services. We always offer a nice cuppa and a bite to eat.

Booking is essential!
