

# Back Pain Workshop

**Thursday 14<sup>th</sup> March 2019**

**1.30pm – 3.00pm**

**Brierley Hill Methodist Church, Bank Street, Brierley Hill,  
DY5 3DA**

Did you know back pain is the largest single cause of disability in the UK & referrals for spinal surgery are increasing year on year? Research and engagement has shown that many treatments do not have much impact on patients.

We would like to understand about your experiences with back pain and the treatments you have received and the advice you have been offered. Is it helping or making a difference?

Come and join our friendly workshop and share your views with us. We always offer a nice cuppa and a friendly smile.
