## Keeping Dudley Healthy & Safe

Come along and hear the headlines on the Black Country & West Birmingham NHS Long Term Plan. Have we listened to you and got the plan right for local people when it comes to health?

The second part of the session will focus on how we keep Dudley a safe place to live and work in. What makes you feel safe and what can we do together to make it even safer?

Join us and local partners for a bite to eat and friendly conversation.
