Virtual meeting

Followed by the Annual General Meeting at 5.45pm

Restore. Reset. Recover

With the recent pandemic you may be wondering what the next steps are to help us get back to some kind of normalcy. What is the new normal? What does it mean for health and care and what does it means for patients?

Join us for a conversation on the next steps. We will be using Microsoft Teams due to social distancing and Government guidelines so you will need to book so that we can share the link with you.

Booking is essential!

To book your place or find out more please contact Maria Prosser
